Las Vegas

“Welcome to Fabulous Las Vegas, Nevada!” calls the landmark sign on the iconic Strip. It’s a fitting greeting to this most decadent of cities, a place of neon lights, late nights and non-stop fun.

Cruise along the world-famous Strip, only 10 minutes from the airport, and you feel like you’re on the set of a hundred Hollywood movies. Dancing fountains, rollercoasters and a galaxy of neon lights all come together to create an atmosphere that’s nothing short of electric. Besides all this, you’ll find a plethora of shopping malls, museums, eateries – even the odd kitsch wedding venue. Follow the sounds of the slot machines and the rattle of the roulette wheel into one of the scores of casinos, all open 24/7. With its star-studded shows and raucous clubs, Vegas certainly deserves its ‘Entertainment Capital of the World’ title. It’s easy to forget that this incredible buzz is located smack bang in the middle of the desert. So, when you’re bedazzled by it all, take a trip to the magnificent Grand Canyon for the ultimate in peace, quiet and jaw-dropping scenery.

Back in Vegas, the hotels are destinations in themselves: glittering buildings play homage to Egypt, Venice, Paris and New York. Meanwhile, a new crop of modern hotels boast sumptuous spas, roof terraces and minimalist design. We’ve chosen some of our favourite stays for this brochure, all of them as impressive as Vegas itself.

From the moment you see the Golden Gate Bridge, you'll be seduced by San Francisco. The inspiration for poets, songwriters and artists, it's a creative hub with colourful nightlife to match. San Fran's a dream-come-true for foodies too: in its multicultural neighbourhoods, you'll find dishes from Italy, China and Central America. For the ultimate wine-tasting experience, sip it at source in the tranquil Napa Valley. No visit to SF would be complete without a sea lion encounter at Fisherman's Wharf, an escape to Alcatraz or a stroll along that magnificent bridge.

Route 66

Experience the ultimate, all-American adventure with a thrilling road trip along Route 66. Starting in Chicago, you'll drive the breadth of America, taking in amazing sights as you make your way to glamorous LA.

The Mother Road, as it has been known, first opened in 1926 and is an emblem of American culture. During the Great Depression, it was used as an escape route for farmers fleeing the Dust Bowl in search of better land. Later, the Main Street of America (to give it another one of its nicknames) came to represent the freedom of cross-country driving.

When Route 66 officially closed in the eighties, it had already been immortalised by the TV show of the same name, the classic Bobby Troup song and the iconic, shield-shaped sign. The original road gave way to new, interstate highways, but it's still possible to make the same journey from Chicago to LA today. It's a cultural pilgrimage and a wonderful way to see some of America's most fascinating landscapes and cities. You'll traverse the dramatic Great Plains and the Midwest and even call in at the Grand Canyon. From the skyscrapers of Chicago to the world famous Hollywood sign, this is sure to be one of the most fantastic fortnights of your life.

Hawaii

Although Hawaii is officially the 50th of the American states, it couldn't be further away; not just in the geographical sense (it's 2400 miles away from the Californian coast) but in its exotic culture and other-worldly looks. This archipelago of 132 islands is covered in deep forests, cascading waterfalls and magnificent volcanoes. From the moment you land at the airport and see the fragrant lei (flower garlands) for sale, you'll know you're somewhere very special.

Most holidays to Hawaii start on Oahu, home to state capital Honolulu and world-famous Waikiki Beach. Here, you'll be greeted with open arms by a giant, bronze statue of Duke Kahanamoku, a Hawaiian hero and 'the Father of Modern Surfing'. Unsurprisingly, surfing is big news in Waikiki; sit back and watch the experts, or have a go yourself. Nearby, see natural wonders like Hanauma Bay Nature Reserve and the incredible volcanic crater, Diamond Head. The perfect end to a day of adventure is a luau, a sunset feast complete with hula dancing and Hawaii's tasty American and Asian-influenced food.

There are so many ways to fill days on Oahu: diving, swimming, horse riding, playing golf, or simply relaxing on the tropical beaches. When you're ready to explore further afield, grab your camera and visit one of the other islands in this beautiful paradise.

"Hawaii is a beautiful tropical enclave, a real haven for sun worshippers. Gaze out across Waikiki Beach, it's just how it looks in Hawaii Five-0! I love the delicious Pacific Rim food, best sampled at a traditional luau." Simon Fisher - Worldwide Sales Consultant

Hays Tour Operating Limited Booking Conditions (abbreviated)

1. **Your holiday contract**
 - 1.1 Your booking is made with Hays Tour Operating Ltd (“us”, “we”), and the following terms and conditions (“booking conditions”) form the basis of your contract with us. Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, we are entitled to assume that you have read the booking conditions and agree to them.
 - 1.2 In these booking conditions, “you” and “your” means all of the people named on the booking (including anyone who is added or substituted) or any one of them, as the context requires, and “lead passenger” means the person who makes the booking.
 2. **Before you book** (refer to Hays Travel website for full booking conditions)
 3. **Booking and Paying For Your Holiday**
 - 3.1 When you confirm a holiday booking you must pay a deposit of either £175 per person or 10% of the holiday cost, whichever is the greater, or any higher deposit which applies to your holiday (for example if a supplier requires full payment at the time of booking). The deposit will only be refundable as set out in these booking conditions.
 - 3.2 Bookings made directly on our website or within 98 days of your departure date require full payment at the time of booking.
 - 3.3 Some special offer flights will need to be paid in full at time of booking and are non-refundable should you subsequently cancel. Please also refer to 4.3 (Cancelling Your Holiday).
 - 3.4 After your booking is taken and a deposit received, a confirmation invoice will be sent to you detailing the total cost due. Full payment must be received not less than 98 days before departure. If we or your travel agent have not received full payment at least 98 days before departure, we reserve the right to treat your booking as cancelled by you and to retain the deposit paid. If we do not choose to treat your booking as cancelled immediately because you have promised to make payment, if you still do not make full payment the cancellation charges shown at 4.3 will become due depending on the date we reasonably treat your booking as cancelled.
 - 3.5 Any supplements to be added to the cost of your holiday will be quoted to you at the time of booking. They do not necessarily indicate that any additional services will be provided.
 - 3.6 We make a charge for payment by credit card. The charge will be confirmed at the time of booking.
 - 3.7 We reserve the right to cancel a booking which has been made at an incorrect price. When we become aware of any such pricing error, we will notify you as soon as reasonably possible. You will be given the option of accepting the correct price for your holiday, booking an alternative holiday or receiving a full refund.
 - 3.8 We will arrange to provide you with the various services which form part of the holiday you book with us. Before your booking is confirmed and a contract comes into existence, we reserve the right to increase or decrease, and correct errors in, advertised prices and to change any of the holiday details advertised. Any changes will be made known to you at the time of booking.
 - 3.9 A booking is not accepted until we issue an invoice. The date shown on the invoice is the date of booking.
 - 3.10 It is important to check the details on the invoice when you get it. If any details appear to be incorrect or incomplete, please contact us immediately as it may not be possible to make changes later. Any misspelled or incorrect names must be corrected. We regret we cannot accept any liability if you are not notified of any inaccuracy in any document within 10 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so. We may charge a fee for any amendments.
 - 3.11 **Your Financial Protection**
 - 3.11.1 When you buy a flight inclusive package holiday from us it is authorised under our ATOL number 10531 and protected under the ATOL scheme.
 - 3.11.2 We, or the suppliers of the services you have bought, will provide you with the services you have bought (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).
 - 3.11.3 All money you pay to a travel agent is held by them on behalf of the Trustees of the Air Travel Trust, subject to their obligation to pay it to us as long as we do not fail. If we fail, any money held by the agent, or subsequently accepted from you by them, is and continues to be held on behalf of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
 4. **If You Want To Change Or Cancel Your Holiday**
 - 4.1 **Changes Or Additions To Your Holiday**
If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. If it is possible to make the change, it will be subject to an administration charge of £50 per booking, and payment of any further costs we incur in making this alteration. If we agree that you may change your booking to a holiday of lower value, and then you cancel that holiday, we reserve the right to levy cancellation charges on the value of the original booking. Scheduled airlines normally regard name changes as a cancellation and rebooking, and any alteration may incur a 100% cancellation charge in respect of the air fare.
 - 4.2 **Transferring Bookings** (refer to Hays Travel website for full booking conditions)
 - 4.3 **Cancelling Your Holiday**
 - 4.3.1 If you or anyone on your holiday booking wishes to cancel the holiday, the lead name must notify us as soon as possible. Any notification by telephone must also be confirmed in writing or by e-mail within 24 hours by the lead name. Cancellation will take effect when we are notified provided that written confirmation is received by us within 24 hours of the original notification.
 - 4.3.2 The following charges will be payable depending on when the notification of cancellation is received. References to the deposit include all sums paid or payable at the time of booking.

Time of cancellation (days prior to departure)	Cancellation charge per person
61 days or more	Loss of deposit
60 – 42 days	50% of total holiday cost *
41 – 33 days	60% of total holiday cost *
32 – 15 days	90% of total holiday cost *
14 days or less	100% of total holiday cost *

* or loss of deposit if greater
 - 4.3.3 Please also note that airline ticketing deadlines may apply, resulting in higher cancellation charges. Please ask for details at the time of booking. Insurance premiums and amendment charges are not refundable in the event of cancellation.
 5. **If We Change Or Cancel Your Holiday**
 - 5.1 **Flight Details** (refer to Hays Travel website for full booking condition)
 - 5.2 **We Change Or Cancel Your Holiday Before Your Departure**
 - 5.2.1 We hope and expect to be able to provide you with all the services we have confirmed to you at the time of booking. We plan arrangements a long time in advance of your holiday using independent suppliers, such as airlines and hotels, over whom we have no direct control. On occasions changes do have to be made, and we reserve the right to change or cancel your holiday at any time. If we have to make a significant change or cancel, we will tell you as soon as possible.
 - 5.2.2 A significant change includes a change of accommodation to that of a lower category or price for the whole or a major part of your time away, a change of flight time of more than 12 hours, a change of UK departure airport (except between London airports), or a significant change of resort area.
 - 5.2.3 We will only cancel your confirmed booking after you have made full payment where we are forced to do so by a Force Majeure Event (see 5.3) or if the minimum number of clients required for a particular travel arrangement is not reached.
 - 5.2.4 Where there has been a significant change to your holiday, if there is time to do so before departure, we will offer you the choice of the following options:
 - 5.2.4.1 accepting the changed arrangements; or
 - 5.2.4.2 accepting an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value); or
 - 5.2.4.3 cancelling, in which case you will receive a full refund.
 - 5.2.5 If we have to make a significant change or cancel we will pay you the compensation payments set out in the table below, unless:
 - 5.2.5.1 we are forced to make a change or cancel by a Force Majeure Event (see 5.3);
 - 5.2.5.2 we have to cancel because the minimum number of bookings necessary for us to operate your holiday has not been reached;
 - 5.2.5.3 we cancel as a result of your failure to comply with any significant requirement of these booking conditions (such as making payment on time).
6. **On Holiday**
 - 6.1 Behaviour (refer to Hays Travel website for full booking conditions)
 - 6.2 **If You Have A Complaint While You Are On Holiday**
If you have a complaint about your arrangements whilst away, you must notify the supplier of the service in question and our local agent (whose contact details can be found in your booking documentation) as soon as possible. They will do their best to rectify the situation. If you do not make your complaint as soon as possible while on holiday, this will affect our ability to investigate and take remedial action and this may affect your rights under your contract with us.
If a problem remains unresolved during your holiday, you must make a complaint in writing to us within 28 days of the completion of the holiday. Please remember to quote your holiday booking number and daytime telephone number. We will reply to you within 28 days of receipt of your written complaint.
7. **Our Liability To You**

 - 7.1.1 any breach of our contract with you; or

 - 7.3 We shall not be liable to you, whether in contract, tort (including negligence) or restitution, or for breach of statutory duty or misrepresentation, or otherwise, for any damage, expense, cost or other sum or claim of any description whatsoever which results from:
 - 7.3.1 your acts or omissions; or
 - 7.3.2 a Force Majeure Event (see 5.3)
 - 7.4 Without prejudice to clauses 7.2 and 7.3, our total liability arising under or in connection with our contract with you, whether arising in contract, tort (including negligence) or restitution, or for breach of statutory duty or misrepresentation, or otherwise, shall be limited to a maximum of three times the cost of your travel arrangements.
 - 7.5 Our liability will also be limited in accordance with and/or in an identical manner to:
 - 7.5.1 The contractual terms of our suppliers (such as airlines, accommodation or transport providers) that provide your travel arrangements. These terms are incorporated into this contract; and
 - 7.5.2 Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.
8. **Data Protection Policy** (refer to Hays Travel website for full booking conditions)
